Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.

(Mr. Enrico Lesch)

WHERE TEDDY BEARS COME FROM

Peachtree Publishers. Hardback. Book Condition: new. BRAND NEW, Where Teddy Bears Come from, Mark Burgess, Russell Ayto, In the middle of a deep, dark forest, all the creatures are fast asleep. Except for a little gray wolf who cant sleep a wink. But the little wolf knows just what he needs to get a good nights sleep: a teddy bear to cuddle, just like in his favorite story book. So the next morning little wolf sets off on an adventure to find a teddy bear. But exactly where do teddy bears come from? The little wolf asks the Wise Owl, but he doesnt know. He asks the Three Little Pigs, but they suggest he speak to Little Red Riding Hood. Finally, when he is very tired the little wolf stumbles upon a kindly man with a bright red suit and a long white beard who needs a helping hand. But good deeds never go unrewarded. So when the little wolf wakes up the next morning there is a soft, cuddly surprise at the foot of his bed.and the answer to his question. Author Mark Burgess has woven an amusing, satisfying story that features a steadfast character and a memorable cast of familiar faces and story elements from favorite fairytales. While Russell Ayto's distinctively quirky illustrations offer surprising perspectives and colorfully capture the delightful humor of the story.
