EXTRACEREBRAL COLLECTIONS

Book Condition: New. Publisher/Verlag: Springer, Wien | This series of yearly books on Advances in Neurotraumatology is being published under the auspices of the Scientific Committee of Neurotraumatology of the World Federation of Neurological Surgeons. For some years neurotraumatology was perhaps too much looked upon as a secondary part of neurosurgery. But the constant increase of cases has provoked a renewal of interest all over the world, involving not only neurosurgeons but also any surgeon who has to take...
