Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home With Shape & Size, Jenny Ackland, At Home With Shape & Size is full of learning activities for young children to do at home. Children, from 3 years old, will learn to think about shape, pattern, comparing sizes with confidence. The book uses a variety of fun tasks such as copying, colouring, and matching activities to help children recognize similar shapes and patterns, name 2D and 3D shapes, compare quantities, and use everyday words to describe position. The fun illustrations encourage using a pencil in a controlled way and improve hand-eye coordination. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build confidence in numeracy for a child's first years at school.
