Reviews

It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be he greatest book for actually.
(Dr. Torrey Osinski DVM)

SPANISH-ENGLISH PICTURE DICTIONARY FIRST BILINGUAL PICTURE DICTIONARIES

Barron's Educational Series. Paperback. Book Condition: New. Paperback. 48 pages. Dimensions: 8.3in. x 6.9in. x 0.2in. Its never too soon to start teaching boys and girls a second language, and this book presents pages filled with cheerful color pictures that help teach Spanish words to English-speaking children in early grades. It presents more than 350 illustrations of familiar objects, with nine pictures on each page. Every picture is labeled with its English word, followed by its Spanish equivalent. The translated word is followed in turn by a phonetic spelling in smaller type. Words are grouped according to themes, such as Sports, The Classroom, Fruit, Vegetables, Party Time, Weather, and many others. For example, the nine illustrations on the Sports page show pictures with bilingual labels for football, table tennis, skiing, fishing, gymnastics, athletics, cycling, swimming, and basketball. Here's a fun way for younger English-speaking children to build a basic vocabulary in Spanish. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
